MORE GOLD DISCOVERIES. The most interesting feature of a ail advices from Klondike will be the ce tails of strikes made in Stuart and Petty rivers this summer. Several times since the arrival of Klondike miners with their nuggets from Bonarza and El Dorado creeks, stories have been affoat of still richer fields on S part creek and other creeks further east. None of the returned Klondikers were able to give information on the subject Many have mined with limited success. 11 Appich, Der 15 Appich, Geo A 115 Alexandria Infirmary 16 Aitcheson & Bro 95 Aitcheson, D W 17 Adams, F M 20 Alexandria Bottling Co, Jas McCuen 20 Alexandria Steam Bakery 37 Alexandria Gas Works 19 Alexandria Gas Works 1 Many have mined with limited succeson Stuart, Petty and other rivers before striking rich dirt on the Klondike tributaries. The only hint of what has been found comes through Surveyor Oglivie in the following news from

Ottawa, roceived at Victoria, B. C : "While government officials are reli cent as to the latest advices from Surveyor Oglivie and Inspector Constantine, the fact has leaked out that those that scores of miners are deserting 131 Furroughs, T.F. Klondike for a richer district further east, believed to be Stuart river, where it is said still more wonderful deposits have been discovered this spring."

The last letter from Oglivie was dated Yukon river, near White river. June 7, and contained this informs-

"As the opportunity presents itself to send you a few lines, I take advantage of a friendly log on a bank, with my camera box for a desk, to write u short account of my doings since I last wrote, January 30.

"I have made survey of all claims ap plied for at or near Dawson. I survey ed nearly 2,000 claims in Bonanza and El Dorado creeks, and got nearly all, if not all, disputes on these creeksand they were many-settled quickly and without trouble, and, as was most important, educated in the requirement of mining laws.

and San Francisco.

"Pelly river is about parallel with Stuart river and enters the Yukon about forty miles higher up. Both rivers are on right or east bank of Yukon and many miles east of Dawson City. Pelly has also been prospected by some Klondikers with little if any more success than was Stuart, but this no proof that other prospectorhave not been more fortunate.
